MATTHEW TEH

mattzteh@gmail.com | 669-300-1703 | San Jose, CA | [LinkedIn](#) | [GitHub](#)

SKILLS

Languages: Python, JavaScript, Ruby, SQL, HTML5, CSS3
Frameworks/Tools: React, Redux, Rails, Express/Node.js, MongoDB, PostgreSQL, AWS S3, Git/Github

PROJECTS

ZZY WORKS - E-Commerce Keyboard Website Clone - ([Live](#) | [Github](#))
- Incorporated React-Redux container and Redux selector patterns to architect highly scalable and uni-directional front-end state management
- Connected the Rails backend to AWS S3 for media storage and organization and AWS IAM to maintain content security and increase scalability
- Built custom search with Rails ActiveRecord to query product from PostgreSQL database on product page
- Developed secure user session CRUD functionality utilizing Rails BCrypt hash and salting

Dino Typer - Dynamic typing game where you must out-type a dinosaur - ([Live](#) | [Github](#))
- Created custom event handlers for typing and dynamically determine key input with text on screen
- Integrated Quotable API to fetch random quote to diversify typing test

GameBuddy - Online platform where gamers can unite and play together - (MERN Stack) - ([Live](#) | [Github](#))
- Manipulated multi-level data from Riot Games API to dynamically display user rankings / level on profile page
- Utilized websockets for live chat feature and live-reloading of game page
- Designed git workflow for team of 4 engineers to minimize merge-conflicts and increase work efficiency

EXPERIENCE

Business Development Coordinator - Guaranteed Rate Inc. | Chicago, IL   Jun 2021 - Feb 2022
Supported two loan officers by managing their pipelines of over 20 loans a month in a fast paced mortgage industry and provided top quality customer service with a 9.6/10 net promoter score
- Averaged 6.8 business days from processing to cleared to close, fastest within sales division
- Increased production by over 15% by generating new leads with pre-approval letters
- Developed email system of organization to increase efficiency across loan pipeline to ensure smooth operations
- Oversaw compliance, qualification, and review of initial and collateral underwriting to ensure eligibility of a loan throughout its lifecycle

Marketing Intern - Patriot Memory | Fremont, CA   Summer 2018 & 2019
Managed social media accounts to promote upcoming products and deals, specifically Viper Gaming division, and organized company booth in trade shows for product marketing
- Boosted Instagram/Twitter following by 30% by initiating collabs/events with B2B partners
- Created and presented product analysis reports with the marketing and manufacturing departments to increase product sales in trade shows by over 20%
- Renovated and rebranded Viper Gaming Division and Corporate Office website via Webflow/Wix
